

Introducing My CentraNet

My CentraNet is a single-page hub within CentraNet that lets you view recent activity, transfer funds and pay bills all from the same page. With My CentraNet, you no longer have to click through multiple menus to perform basic online banking functions. You can do just about everything on the same screen.

The screenshot displays the My CentraNet dashboard for Central National Bank. The header includes the bank's logo and name, along with navigation links for Contact, Info, and Log Out. Below the header is a menu bar with options like Bill Payment, eNotices, Change Address, and Options. The main content area is divided into several widgets:
